

Useful Spanish - Simplified

Instructor: Don Zagorski

Whether traveling abroad or you're not exactly sure what is in that Favorite Mexican dish, you will love Spanish Simplified. We will break down Spanish words and dialectics into useful words and understandings. You will learn how to read and say basic Spanish words at an easy, relaxed pace. Each 8 weeks will build on the last session, but new students will always be welcome. Everyone will work at their own comfort level. No testing, no grammar, just a way for you to learn something as simple as how to ask for directions, or how to order your favorite dish at a restaurant.

Students should have a way to take notes and should get a pocket dictionary. (English to Spanish and Spanish to English). There will be a materials fee due to the instructor on the 1st day of class.

2019 Fee: \$50 Res/\$60 NR Minimum 6/Maximum 20
